Department Reports:

Liquor Store: Angie Benning was present to update the Council on the Liquor Store operations. The Liquor Store did well in March and April is shaping up to be a good month. Ted Hegseth resigned from the Liquor Store as janitor and will be replaced by Bobbi Jo Freie. It was mentioned that due to available space for storage and delivery dates the Liquor Store has been out of certain items when requested by customers. Staff will continue to try and prevent this from happening. The floors at the Liquor Store need to be stripped and waxed.

Public Works: Council was updated on progress on St. Johns Avenue. The shaping and addition of gravel serve not only to provide a good roadbed, it also is being done to direct the flow of runoff.

Motion by Santer second by Iten to approve Department Reports. CU

Dialogue Items:

Council was reminded that the Board of Review would be held on April 14th at 2:00 p.m. Council discussed buildings in the business area that are in need of repair. Staff will send second letters regarding the need for repair before Council takes any further action.
